The SPA

Balance between body and mind is the main focus of our philosophy because we know that this balance is critical to your life.

We have created for you the sensory space where you just have to get carried away by the senses.

Acqua Lisboa is the new concept of Urban Spa that combines traditional therapies with modern techniques of body redefinition. Now you can pamper your mind and keep your body in shape through a peaceful and relaxing experience.

Discover the exotic blend of therapies from around the world, in a space filled with tranquility, reflection, rejuvenation.

Indulge your senses.

Come and discover the true meaning of

o @ da sua vida

Quality

Happiness comes in moments.

Moments, unique experiences designed and created for you in an environment full of tranquility, where the balance of the senses harmonize body and mind.

Moments with soul.

Moments  City SPA
Lisboa

Because we believe that perfection exists, create these moments is our mission. A body of experts and certified therapists, adherence to best practice and attention to small details, so that your experience is unique.

We are the first SPA Urban Portuguese member of the International SPA Association, guiding us to the highest international quality standards.

We follow a Code of Conduct that promotes transparency and empathy with the client, guaranteeing rights, quality of service, politeness and courtesy in service.

MEMBER

We believe in sustainable development and we care about the environment. Therefore, we use natural products from our Spa Rituals and always try to get their traceability of origin.

All Acqua 100% Products are 100% natural, with registration at INFARMED and strict quality control.

Because we believe that way we will provide a better service to you.

And because this planet is all of us.

100% Natural

Find something unique that exists nowhere else.

Most of our rituals are fully developed by us and use only natural products Acqua Lisboa 100%, with artisanal and small-scale production whose formulas, developed exclusively for Acqua Lisboa, are registered in Infarmed

So do not be surprised if during one of these rituals realize that real flower petals are being used or that the exfoliating has real apricot pits. Or you feel like eating the honey you are being wrapped in.

Also not be surprised to verify the therapeutic effects immediately as natural formulas are much more effective.

Everything you need to know

Spa Etiquette

Open on weekdays from 08.00 to 22.00, Saturdays, Sundays and holidays from 10:00 to 19:00.

Reservations can be made directly on the SPA or via www.acqualisboa.pt.

Please arrive 10 minutes before your treatment, to have time to prepare and relax. We seek to comply with the schedules, so any delay in starting treatment will cause it to be shortened, reducing its full benefit.

If you need to cancel your appointment we require 12 hours notice, otherwise this will be charged.

During the treatments, please inform your therapist if you are comfortable, the room is too hot or too cold, if the pressure is too soft or too strong.

If you have a particular injury or physical limitation, please explain and share with your therapist. Feel free to talk or be silent during your treatment. Our therapists will respect your wish. Our goal is to provide you with a positive experience.

Please remove all jewelry and clothing. You will have bathrobe, disposable slippers and towels. We ask that you turn off your phone at the entrance, so that nothing can disturb your stay in the SPA.
